PREFERRED AND RECOMMENDED ATTIRE FOR PHOTOS

ALL PORTRAITS ARE FROM THE WAIST UP...

SENIOR COMPOSITE ATTIRE

Men

Dress shirt with collar (white preferred if you have one) buttoned at neck with tie (*avoid wearing a blue tie if possible as it turns gray in the photos) *I have a nice red tie if you want to wear it. **Please do not buy something new to fit in with these guidelines!! I can make any color work!!***

Women

Blouse/ tank / dress with low (not plunging!!) neckline or V neckline (if it doesn't show the color will not matter!) You can wear a shirt with an open collar as well.. **scrub top works well...**
We will make whatever you wear work!!

Available on location... mirror, hair spray, blotters, "no shine" matte fixing powder for shine, hair pins! Just bring your best smile!!
I will have hoods and honors sashes.
